PELHAM, NEW YORK

Let's Play Ball! I am so excited to have the opportunity to manage the Pelham Pirates with a wonderfully-large team of coaches during the 2009 season. We are going to have fun and learn a lot! There likely will be twelve practices / games.

This season will be a chance for the players to have fun and to begin to improve in the game's fundamentals. The primary objective is to make sure that everyone enjoys their time together on the field while being exposed to some of the basics of the sport. Below are some brief announcements.

- The League has told us it will provide the team with one or two practice fields for practices before the season begins.
- There will be a mandatory coaches' clinic to be held the evening of Tuesday, April 14, time and place to be determined. In a very nice development, for the first time, all parents are welcome to attend the clinic. More information will follow.
- The annual parade down Fifth Avenue will be held on Saturday, April 18. The team will meet at 8:30 a.m. in front of the Pelham Art Center (Third St.). Bring your raffle tickets!
- If you have not yet signed up for important email blasts from the Pelham Little League (field closures, etc.) please do so immediately at PelhamLittleLeague.org.
- As soon as the schedule and information about uniforms is released, I will let you know.
- We have a Web site, so check it out, especially the video links! <http://PelhamPirates.blogspot.com>
